Mazzone & Associates, Inc. advised Field Coffee, LLC in the sale of its Atlanta Coffee Time division.

M&A News

Mazzone & Associates advised Field Coffee, LLC in the sale of its Atlanta Coffee Time division. Since its founding in 1980, Atlanta Coffee Time has grown to become one of the largest office coffee services (OCS) distributors in the state of Georgia, providing high quality coffee, tea, water service, and other related products to its customers. The sale of this non-core division is part of Field Coffee's strategy to focus on its core coffee roasting operations. Edward Field, CEO of Field Coffee, summarized his thoughts by saying, "I am grateful to the Mazzone & Associates team for their guidance in this transaction that preserves opportunity for Atlanta Coffee Time employees and further enhances Field Coffee's focus on roasting premium quality coffee for our customers."
