Intern Recruitment

The investment banking intern is an integral member of the team at Mazzone & Associates. We rely on our interns to produce critical information that includes insightful financial analysis, timely research and effective presentations. Our collaborative approach allows the firm to serve clients and grow our business. It also affords our interns the opportunity to both give and receive new ideas in corporate finance, business processes and strategy. We are committed to investing in the professional character of our interns and to provide the opportunity to work directly with our senior-level investment banking professionals. The investment banking intern will support senior-level investment bankers by providing analysis, research, presentations, marketing information and other various items related to clients projects or internal initiatives. Interns will be expected to work full-time for the summer internship program and 3 days per week for the fall and spring programs. This is an unpaid internship.
