Mazzone & Associates Launches New Website

Monday, February 27, 2006 9:00 am ET

ATLANTA, Georgia--(BUSINESS WIRE)--Feb. 27, 2006—Mazzone & Associates, a merger and acquisition advisory firm, today announced the successful completion and launch of newly designed website. The website can be found at www.globalmna.com.

The website was professionally designed by 90° Solutions to continue driving the robust start to Mazzone & Associates.

M&A has already closed one transaction, the sale of all the capital stock of GTO, Inc., a privately-held Florida-based gate opener and security system company, to a subsidiary of Nortek Holdings, Inc. M&A is quickly ramping up with several transactions in its pipeline and is adding seasoned professionals to its highly experienced team.

M&A was founded by Dominic Mazzone in the July of 2005 to provide comprehensive transactional services for middle market companies, private equity groups and individuals buying and selling companies, raising capital and structuring debt. Dominic's significant experience executing mergers, acquisitions and financing transactions domestically and internationally across a variety of industries has earned him industry respect and recent recognition as one of Georgia's top merger and acquisition advisors in *Atlanta Magazine*. Prior to forming M&A, Dominic managed mergers and acquisitions at Alston & Bird, The Home Depot and Oxford Industries. In 2004, he was recognized by *Chain Storeage* magazine as one of the top 40 executives in retail under age 40. Dominic regularly speaks publicly at merger and acquisition-related seminars and has published numerous articles on a variety of merger and acquisition topics.
